| Attained intercollegiate MRCS or MRCS (ENT) or FRCS with one of the four Surgical Colleges of the UK and in Ireland  |
| In good standing with the College with which Membership or Fellowship is held  |
| Holds full registration, without limitation, with the GMC or relevant regulatory body  |
| Holds a substantive consultant post (or overseas equivalent post) or substantive SAS-grade/NCHD surgical post in the UK or Ireland   |
| Able to commit at least 5 days per academic year and have the support of the employer to achieve this  |
| Has the expectation of completing no less than 6 years and no more than 16 years as an examiner  |
| Has the expectation of review of role after initial probationary period of 3 examination diets as an examiner  |
| <b>Professional and Occupational Training</b>  |
| Adherence to CPD, annual appraisal and revalidation requirements   |
| Demonstrable commitment to ongoing assessment, training and development as an examiner/trainer   |
| Demonstrable commitment to undertaking Equality and Diversity training   |
| Demonstrable ability to respond constructively to performance feedback   |
| <b>Experience, knowledge and skills</b>  |
| At least eight years post-attainment of the MRCS or MRCS (ENT)   |
| Two years in a substantive consultant post or completion of the surgical training programme in the UK or Ireland or at least 8 years combined surgical experience in either post-Core Surgical Training or a substantive senior SAS-grade/NCHD surgical post |
| Demonstrable experience of surgical practice to include: outpatient work; in-patient work including leading ward rounds; independent operating; and emergency on-call work.  |
| Demonstrable involvement in, and commitment to, the education and training of surgical trainees  |
| Demonstrable understanding of the level of knowledge, skills and behaviours required for completion of core surgical training  |
| Excellent written and verbal communication skills  |
| <b>Personal attributes</b>   |
| Highly motivated   |
| Meticulous attention to detail   |
| Able to form excellent working relationships at all levels   |
| Friendly and collaborative approach  |
| Able to handle challenging situations with tact and diplomacy  |
| Acting with probity at all times   |
| Demonstrable willingness to behave with courtesy, fairness and non-discrimination towards all candidates, fellow examiners and College staff   |
| Able to demonstrate suitability for the role by endorsement from two structured references from colleagues holding substantive consultant posts in surgery, including one from current organisation  |
